

# SOUTHWESTERN OHIO BASKETBALL

## 2021-22 WINTER LEAGUE

Southwestern Ohio Basketball has been providing the tri-state area both competitive and recreational youth basketball leagues for over 25 years, longer than any other organization within 500 miles. Its been a long year and half for our kids and all of us. We are excited to get back to some normalcy. This year will be our 27th winter league we have put on. We expect to have teams from throughout the Greater Cincinnati and Northern Ky area. We will offer leagues for both boys and girls grades 2 - 12, offering various levels of play. We will also allow teams to play games at their own home gyms or at one of our neutral sites.

SWOB also knows that a lot of schools will not open up their school buildings to youth programs for practices and games, putting a strain on the ability for some organizations to play this winter. Knowing this, SWOB again has been working hard to get our kids the chance to play basketball this winter. We will have gym time open this winter for rent during the week for practices. Or gym rentals are \$35 per hour before 6:00 and \$50 per hour after 6:00. We do offer a 10% discount for any organization booking 100 hours or more. For info on this email s at tom\_sunderman@yahoo.com.

***Here is our winter basketball info for this upcoming season:***

**SETUP:** 10 game season plus one and out tourney (teams will be placed in a tourney based on their record)
